THNK SCHOOL OF CREATIVE LEADERSHIP

THNK'S APPROACH TO LEADERSHIP DEVELOPMENT

The world and organizations are becoming more and more complex. As a result, we see leaders lacking leadership, humans lacking humanity, and employees burning out or simply not performing to their full potential.

We believe that organizations thrive when they have:

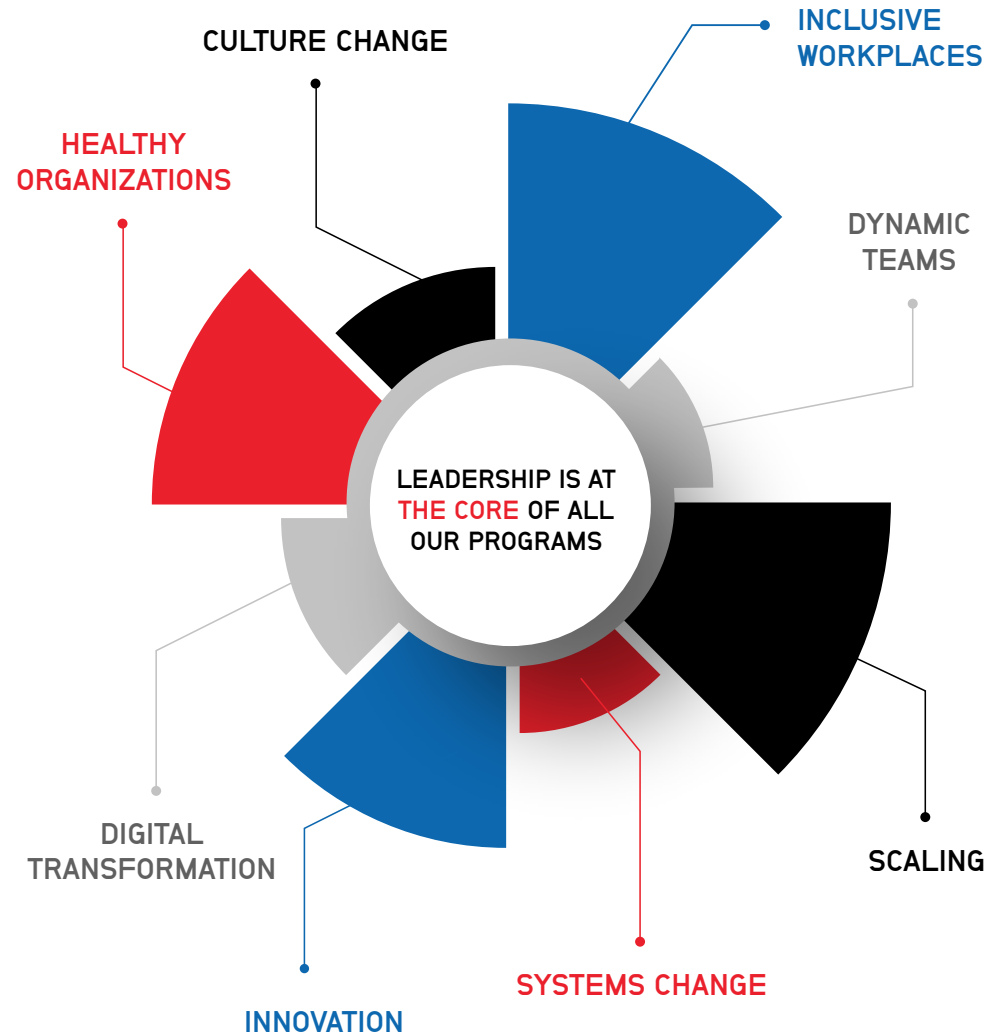

- Inspired leaders
- Energized teams
- A clear purpose
- Meaningful collaboration
- Mindsets that foster creativity and innovation
- Diverse and inclusive cultures

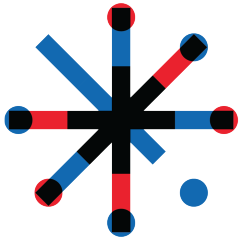

THNK SCHOOL OF CREATIVE LEADERSHIP

CUSTOM PROGRAMS

Besides our programs for individuals, THNK offers custom programs to help organizations tackle their most pressing challenges.

WE HAVE DESIGNED LEADERSHIP PROGRAMS FOR:

WHY WE **EXIST**

OUR PURPOSE

WHY WE DO WHAT WE DO

We are driven to make a positive difference to the people and world around us.

OUR MISSION

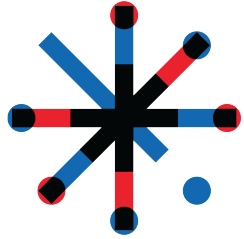

WHAT WE DO

We develop and support global leaders across all sectors to unlock their full creative leadership potential.

OUR VISION

WHAT WE ASPIRE TO ACHIEVE

A critical mass of creative leaders who are equipped by THINK with new ways of thinking, feeling, and acting to create a better world. A better world is defined by progress on the UN SDGs.

OUR VALUES

THINK is a **values-driven organization**. You will see these values play out in the work we do.

LEAD WITH HEART

We bring humanity, compassion, and purpose to everything we do.

PLAY AT THE EDGE

We are relentless learners seeking growth and possibility.

DESIGN FOR MAGIC

We craft journeys to delight and transform.

FUELED BY OUR DIFFERENCES

We embrace contrasting perspectives and challenge our own.
